Skill Intensive Workshop (SIW) Student Agreement

Session:

I, _____, CESL student ID _____, am enrolling in a Skill Intensive Workshop (SIW) at CESL.

The skill area focus will be _____.

I understand that due to the intensive small group nature of the SIW there may be some variation in levels in the SIW skill area but that every attempt will be made to equalize the group levels.

I understand that this is a professional course and that I can not choose my teacher.

I understand that I may need to be somewhat flexible when it comes to course scheduling and that once the schedule is set at the first meeting that I must attend all sessions. There will be no make-up sessions nor refunds. The SIW must be completed by week seven of the current session (for CESL students) or by the penultimate week of the current semester for UA or other students.

I understand that once the class is set to meet for the first time, no additional persons can join the class.

Payment must be completed for the course at the time of registration. Sponsored students should provide approval for billing prior to registration.

There are **no** refunds for the SIW. Please see refund details in the CESL Refund Policy.
